Dear Betty and Navot,

I am writing to acknowledge your exceptional generosity in establishing a "Movie Room" for our new Beaumont Children's Hospital. Your kindness through Spire Integrated Systems and your own personal contribution to this project will give our pediatric patients hours and hours of enjoyment in addition to helping our pediatric staff offer wonderful opportunities for our young patients.

Betty, as a Beaumont physician, you understand how difficult it is for families to cope with having a sick child, especially when chronic conditions may require multiple admissions. I want you both to know how much I appreciate this very thoughtful gift and all of the time and effort it took to coordinate and complete this project.

On behalf of The Beaumont Children's Hospital, thank you for your vision and commitment to our pediatric patients.

Sincerely,

Kenneth J. Matzick
